OCCUPATIONAL MAPS

Engineering Programs Occupational Map

JOB PROFILES

Electrical Engineering Technology	Mechanical Engineering Technology		Mechatronics Engineering Technology	
• Electrical Engineer	• Field Operator Technician	• Maintenance Planning Engineer	• Project Management Associate	• Maintenance Planning Engineer
• Maintenance Engineer	• Maintenance Engineer	• Gas Operations Engineer	• Mechanical Engineer	• Modeling and Simulation Engineer
• Control Room Engineer	• Junior HVAC - Design Engineer	• Industrial Engineer	• Factory Operator	• Maintenance Engineer
• Lab Technician	• Control Room Engineer	• Mechanical Engineer - Donwstream		
• Network Engineer	• Production Engineer	• Efficiency Engineer		
• Efficiency Engineer	• Junior Design Engineer – Plumbing	• Site Technician		
• Junior Electrical Design Engineer	• Mechanical Engineer	• Factory Operator		
• Project Management Associate	• Junior QA/QC Engineer	• Maintenance Planner & Scheduler		
	• Project Management Associate	• Associate Engineer (Trainee)		
	• Application Marketing Manager	• Process Engineer

JOB PROFILES

Industrial Engineering Technology	Civil Engineering Technology		Logistics Engineering Technology	
• Industrial Engineer	• Civil Engineer	• Project Control Engineer	• Logistics & Supply Chain Coordinator	• Logistics Coordinator
• Efficiency Engineer	• 3D Designer	• Junior QA/QC Engineer		
• Production Engineer	• Landscape Designer	• Quantity Surveyor		
	• Land Surveyor	• Site Engineer – Civil		
	• (Junior) Estimation Engineer	• Section Engineer		
	• (Junior) Planning Engineer	• Draftsman (Architecture)
