

HCT PROFESSIONAL CERTIFICATIONS AND QUALIFICATIONS (PCQS)

The HCT's Hybrid Education Model provides for the embedding of Professional Certifications and Qualifications into all HCT academic programs, and at all Exit Points of study.

The HCT has developed a Professional Certification Framework, with the input of the relevant industry stakeholders. As a result, various Professional Certifications and Qualifications have been identified and evaluated to ensure their relevance to the demands of the UAE job market.

The following is a list of Career Pathways that have been initiated as a result of the HCT Hybrid Education Model launch, and which will increase on a regular basis.
