

# MARKETING

## Admission to Program

Admission to the program is explained in the HCT Admission Policy described in the Academic Policies section of this Catalog.

## Program Mission

The Bachelor of Marketing program seeks to produce graduates able to function effectively in managerial and practitioner roles in the specialized field of Marketing. Graduates will have the skills, values and ability to explain, analyze and evaluate complex Marketing processes in local and global contexts, while demonstrating the ability to work independently, or in teams, to think critically, solve problems, make recommendations for improvements, and use advanced Marketing tools.

## Program Description

The Marketing program and digital concentration will equip the student with the latest digital marketing knowledge and skills needed in today's globalized economy.

During the program students will develop knowledge of digital marketing using the latest tools and techniques. Through the application of the knowledge gained, they will understand how to develop digital marketing strategies leading to competitive advantage.

The main topics covered include: Consumer Behavior, Integrated Marketing Communications, Brand Management, International Marketing, Digital Marketing, Social Media and Mobile Marketing.

In addition to the core Marketing qualification, the program offers a concentration in Digital Marketing.

For the **Digital Marketing concentration**, students take – MRK 3113, MRK 4033, MRK 4113, BNA 4113 and MRK 4123 elective courses.

**Upon the successful completion of 117 credits, students may commence their Research Project (MRK 4203).**

Students are eligible for a one year Work Experiential Learning experience during their study.

## Program Goals

*Develop graduates who possess the*

- Current knowledge and understanding of key areas of the Marketing field, their interrelationship and application.
- Ability to use the Marketing tools, think critically, and conduct applied research.
- Necessary key success skills in business.
- In depth knowledge of the Marketing field and its interrelationship and application across business environments.

## Program Learning Outcomes

### Degree Level

*Students will be able to...*

1. Demonstrate knowledge of functional business areas.
2. Utilize tools to solve problems in marketing management.

3. Conduct research and evaluate arguments, concepts, and data, in marketing management.
4. Demonstrate self-development and the ability to work independently and in teams.
5. Apply ethical principles to decisions made in global and local contexts, including issues related to sustainability and societal responsibility.
6. Utilize effective oral and written Arabic and English communication in business.
7. Apply business principles utilizing technology to various real-world situations.
